**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic for internet and phone service because it is reliable and less expensive than other providers. I believe in competition and don't want my choices limited. We already have very limited choices for providers of phone and internet service so it should not be further limited. Please do not let large carriers stifle the competitive market for phone and internet services.
